CECO grants support St. Vincent de Paul Village programs

St. Vincent de Paul Village has been a grateful recipient of multiple grant awards from the San Diego County Employees' Charitable Organization (CECO). In years past, each award has been gratefully received at CECO's breakfast ceremony and then passed on to help those in need.

In 2009, CECO extended its generosity to San Diego's neighbors in need and funded the St. Vincent de Paul Village Family Health Center and the Family Living Center located at the Village's Joan Kroc Center. The Village Family Health Center received \$10,000 to replace inoperable and aging equipment including an autoclave/sterilizer and an examination table. Families residing at the Family Living Center enjoyed support in the amount of \$5,000 for the purchase of nutritious and delicious meals.

As St. Vincent de Paul Village prepares to request funding during the 2010 grant award cycle, we wish to thank the CECO Board of Directors and Executive Committee for their continued generosity and support of our programs and our neighbors in need.
