

FATHER JOE'S VILLAGES INVITES YOU TO PARTICIPATE IN OUR BIWEEKLY **VEHICLE CONSIGNMENT AUCTIONS**

With up to 250 motivated buyers at a time, our Vehicle Consignment Auctions are test-driven to move sales *fast*. Dealers keep 100% of their proceeds and our secure lot makes selling your inventory as easy as letting out the clutch.

To ensure optimum success, our auction crew will

- ✓ Provide a convenient "one-stop" market for the promotion and selling of your fleet
- ✓ Post photos of your vehicles to our professional website, attracting hundreds of interested buyers each week
- ✓ Wash your vehicles and ready them for display to the public
- ✓ Complete all DMV paperwork onsite

All proceeds from buyer's fees benefit Father Joe's Villages® and our many programs serving San Diego's homeless neighbors in need.
